The Board of Directors of the State of Alabama Cattleman's Association Larkins is now manager of the Farmer's Livestock Cooperative of Coffee County. He is a member of the Finance Committee and serves as Sunday School Secretary, a member of the Elba Masonic Lodge and serves as a member of the Elba Chamber of Commerce's Agriculture Committee.

Mr. Larkins is married to the former Lucille Taylor of Hartford, Kentucky, the father of two children, H. C. Larkins, U. S. Army and Mrs. John Kelly, Augusta, Maine.

Mr. Larkins states that he is familiar with the needs of the people of Coffee County, and that he is qualified to serve in this capacity and represent them in the State Legislature. He is very much interested in improving the condition of the farmers since he has been closely connected with them for the past years; therefore, the schools of Coffee County are also close to his interest because of his family connection in the teaching profession and his interest in the children of the county. He has a special interest in the aged and dependent people of the county. He stands for the bettering the position of the veterans and their problems, the industrial

development of the county and state stands very high on his list of special interest that he will have as a member of the next Legislature.

He states that industry is coming to Alabama and the South and Coffee County must and will obtain its fair share of it.

Through the Keyhole

BY MRS. ROBERT CANNON

"FOR-DE-BRAH" is the name of the position being assumed by the graceful little girls in the back row of this picture. All are dressed in the black and white uniforms of the Elba Junior High School Glee Club.

This picture was taken by our editor when he made a chance visit to the dancing school and caught this group at rehearsal. All these youngsters are beginners, but three of them will dance at the Beta Club Variety Show Friday 8 a.m. Pictured are (left to right) on back row, Carolyn Vaughan, Susan Prior, Patti Taylor and Ann Cannon. (Second row) Sandra Ann White, Judy Miles, Sandra Rudd, Margie Bruce, Sharon

SEEMS that our news lately has all been about hospitals. We were distressed to learn that both Mr. and Mrs. George Jones were at the Mizzell Memorial hospital in Opp. Certainly hope they are at home in the near future.

And at the same time, what a blessing to have little Susan Stokes with us again, all safe and well after her ordeal in Montgomery's Jackson Hospital.

Merle and Gerald Cannon journeyed to the Sacred Heart Hospital in Pensacola last Tuesday where Gerald underwent surgery on Wednesday. When husband Bob took his parents down to see him he was reportedly doing as well as expected. Gerald has been told that he will be in the hospital for at least six weeks.

VISITING here last weekend were Marjorie and Frank Rainer, who now make their home in Montgomery. While Frank and the children were seeing the Frank Rainers, Sr., Marjorie and I enjoyed a cup of coffee at our house. Marjorie said that the weather had been terrible in Montgomery and especially hard on young Marjorie, who is the proud owner of a shiny tricycle. Was simply grand to see Marjorie again.

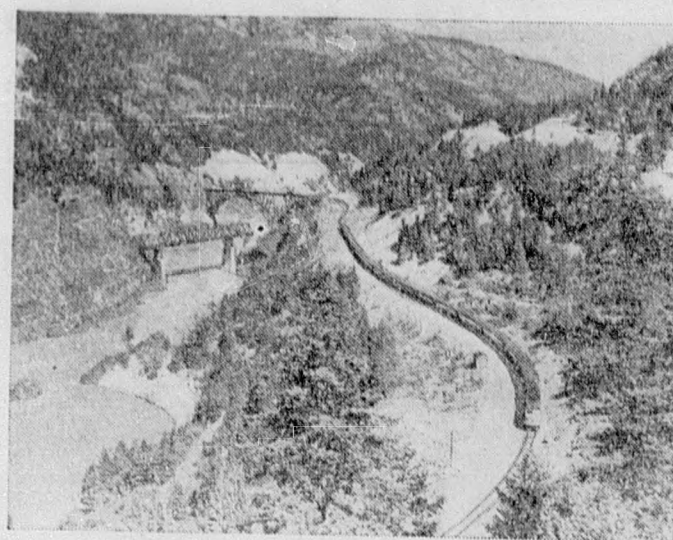

ENOJOYED a brief chat last Tuesday with Robert Kennedy, an old friend of ours, who now lives in Selma. Robert was on his way to see his brother, George Kennedy, after covering his sales territory in this part of the state. Robert is well known in Elba, having quired one of the Fleming girls to many parties in younger days.

GUERNATORIAL CANDIDATES drew crowds away from the warmth of heartiness last week when they began their official campaigns. Saw Josh Tatum and James Devane buttoning up their overcoats in preparation for a trip to see candidate Faulkner. Faulkner is related to Josh and James had good naturedly agreed to make the trip with him, cold as it was, and both seemed to be having a good time.

Diesels In The Rockies

The powerful diesel locomotives which haul the "Super-Continental" from Montreal to Vancouver, in Canada, make the longest single diesel run in North America—224 miles without a change. SOIL CONSERVATION NEWS

By T. C. Seif & Joe Windmar

Cecil Pope of Curtis purchased 120 acres of land in 1955. Like much of our land, it had been clean cultivated for some years. The steeper land had eroded to the point where much of the topsoil had washed off. Cecil saw the need for im-

provements and set out to do something about it. He asked personnel of the Soil Conservation Service for assistance. One field was terraced at this time. The steeper and sandier land was fenced and planted to bahia grass. Each year improvements are made as time will permit.

Some of the lowland is now being cleared of hardwood for grazing purposes. This area will provide excellent late summer grazing when dry weather gets the other grass. With regard to grazing Cecil had this to say: "Last year I raised both fertilized and unfertilized pastures. When the cows

were turned on the fertilized areas they would run to these areas leaving all other grass alone. Most of the eroded areas are now covered with a good grass and providing erosion protection as well as grazing."

BOOK CLUB TO MEET Numa and Lycurgus, taken from Plutarch's lives, will be the subject for discussion by the Great Books Discussion Group Friday at 7:30 p.m. at the Public Library. Everyone who will read the articles for discussion is invited. There are no dues.

Place candles in the refrigerator for about 24 hours before you use them. This will reduce dripping and keep candles from burning down so fast.

Elmore Store Here Has New Manager

The V. J. Elmore Store in Elba has a new manager. He is Billy D. Russell who came here last week from Gadsden where he was assistant manager of the Elmore Store. Mrs. Russell will join him here this week.

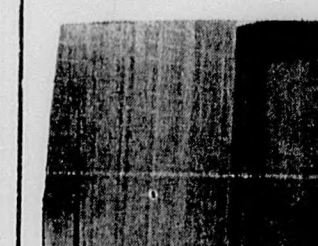

W. O. Broadrick, who has been manager here for a year and a half, has been transferred to manager of the Elmore Store at Moulton, near Decatur. He plans to move his family in about two weeks.

NEWBIA JR. 4-H CLUB HARS SKIRT MAKING By Estin Johnson, Reporter The Newbia Jr. 4-H Club met Monday, Feb. 17. The demonstration was on making a gathered skirt.

After the demonstration, the assistant Home Agent, Mrs. Hutchison showed how to put a zipper in a skirt. The meeting was adjourned until the third Tuesday in March.

TWO POLIO VICTIMS Had No Inoculations Montgomery—Alabama reported polio for the first time this year during the week ending February 8. Two cases, both paralytic, were reported during that week. During the same period last year, five cases had occurred.

The new cases were reported by Lamar and Lawrence counties. The victims are a nine-months old baby and a six-year old boy. Neither had received Salk vaccine.

Market Study Of Peanuts Planned

Dothan—The Alabama Peanut Producers Assn. has retained a New York public relations firm to conduct a market study as the first phase of a promotional drive to increase the use of this important cash crop.

H. H. Knowles, Headland, president of the Farm Bureau sponsored producers' organization, said the research work would be carried out by Parley Manning Associates. A detailed plan of operations was submitted to the association directors by James D. Sanderson, a Manning representative, and approved for immediate start.

The research work, expected to require about three months, will go into various areas that influence the use of one type of peanuts in particular to another, determining the "appeals" which might be expected to increase the use of the Dixon Runner type produced in Alabama, and develop proposals for a definite promotional campaign.

PROTECTION The length of chain hanging from the rear of a fuel truck is a simple precautionary measure against the accumulation of static electricity. Without the protective chain the truck could be turned into a lightning rod. Health protection measures should be taken. The most important is seeing your physician for a thorough physical examination at least once a year. By doing so, you may avert a serious illness.

A Special Life Insurance Policy

APPROPRIATELY NAMED

The President's Special

W. L. Brunson, president of National Security Insurance Company, of Elba, is seen here (left) as he receives a beautiful arm full of roses on the occasion of his 37th birthday Thursday, January 16, one rose for each year of his life. Presentation was made by J. R. Brunson, vice president, on behalf of the field representatives of National Security.

For appropriate observance of the occasion, The National Security Insurance Company has designed the President's Special policy with the following features:

- SALARY EXTENSION PLAN PAYS IN ANY ONE OF THREE (3) WAYS.
- \$500.00 at death and \$100.00 a month for 12 months, (1 Year) or
 - \$100.00 a month for 15 months, the 16th month will pay \$187.00 plus interest or
 - \$1,687.00 Lump Sum, this will help your family read-

When the President of National Security Insurance Company was asked to write a history of the firm, he wrote in terms of the year-by-year advance in total insurance in force, and the progressive increase in size of office space. But those of us who have served with him all those years do not see it that way. Through it

The company was organized in February, 1947, under the direction of W. M. Brunson, father of the President. Only one month later the founder of the company died.

That year the National Security office was a room in the President's home. Equipment was a typewriter, a table, a wooden filing cabinet, and a hand calculator which doubled as an adding machine.

In a few months, the Company was growing enough to need an uptown office. A fulltime stenographer was hired and an office was rented in the Page Building. To the equipment was added another typewriter and a desk and the wheels of progress continued to turn. A few months later an adjacent office was rented and the

Otherwise, growth of the company may be summarized as follows: In 1948 the company's operations were limited to the immediate area around Elba with a weekly premium debit of \$724. By 1952 offices were open in Dothan, Eufaula, Phenix City, Evergreen and Union

The Company has made outstanding progress in the developments of School Insurance, Ordinary Insurance (both military and civilian), Industrial Insurance, Group Insurance and is showing excellent progress in Savings Accounts and Bank Credit Insurance.

Permit Required To Clean Privies

J. L. Fall, county sanitation officer, yesterday called attention to the fact that under state law, the Health Department must issue a written permit to any commercial privy or septic tank cleaner doing business in the county. A number of violations have recently been reported in this county.

Mr. Fall suggests that householders always ask to see a permit before anyone is permitted to clean a septic or privy and if in doubt to call the health department. If the person will not show credentials, try to get the automobile license number and report immediately to the sheriff or police.

Rev. Benson To Be Pastor At Honoraville

Rev. Ben Benson, pastor of the Newbia Baptist Church, has accepted a call to the pastorate of the Honoraville Baptist Church, near Greenville, and will assume his new charge next Sunday. A successor at Newbia has not yet been chosen.

Rev. Benson will continue to occupy his residence at Newbia and will continue in charge of the mission at the home of Victor Adcock.

NEWBIA PASTOR GETS DEGREE AT BAPTIST SCHOOL

Rev. Ben Benson, pastor of the Newbia Baptist Church, received a Bachelor of Divinity degree from the New Orleans Baptist Seminary January 17 upon completion of three years

of study at the institution, following a degree of B.S. from the Troy State Teachers College.

Mr. Benson entered the ministry when ordained to preach at the Coffeeville Baptist Church in 1949. He attended Clark Memorial College, in Newton, Miss., for two years

then served churches in Clarke county, Alabama, until September, 1951, when called to the Hebron Baptist Church, in Coffee County, as full-time pastor.

While at Hebron, he also served the church at Hepzibah, and preached at the Newbia church once a month. He remained there three years while

continuing his studies at Troy State.

After leaving Coffee County, he successively served churches at North Creek, Pleasant Hill, McKemie, then to the First Baptist church of Milligan, Florida, for almost two years, during which time he motored each week to the New

Orleans Baptist Seminary. After leaving Milligan, he was called to return to the Newbia Church full-time.

Not My will
... but Thine!

Christianity does not offer escape from duty. If it did, most of us would never find a seat in Church. The lazy and indifferent would be standing in line hours before we arrived. Christianity does offer strength of purpose—the spiritual energy that transforms duty into achievement! God's purpose and the courage to fulfill it—these the Church reveals and imparts.

In this pre-Easter season of Lent the attention of mankind is focused again on the Cross of Christ... on His strength of purpose and all that He suffered for us... on God's Victory for men. Our churches call us to the Faith which makes difficulty a challenge—dread, a stepping-stone—despair, a memory

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his child's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

4-H NEWS Round-up

BY TOM CASADAY • ASSISTANT COUNTY AGENT

Curtis 4-H Club Officers—
Mrs. Sara Hutchison and I met the Curtis and Pine Level 4-H clubs on one of those arctic days last week. But the boys kept those big stoves full of coal and everything was fine, up until the Curtis and Pine Level meetings a farmer in each community had been bringing a live hog for our back fat testing demonstration, but the weather forced us to abandon that part of the program, perhaps later in the spring we can show the boys the part they missed.

Officers in the Curtis boys and girls clubs are: Sybil Donaldson and Jerry Foley, presidents, June Crocker and Jerry Griffin, vice presidents. Secretaries are Corinne Cowan and James Thompson and the song leaders are Catherine Hudson and Philip Mison. Other officers are devotion leaders Linda Donaldson and Drexel Booth and the reporters and game leaders are Panzy McCord and Ed Cowen, and James Rowell. Local leaders at Curtis are Mr. E. C. Griffin and Mrs. Jean

L. Johnson. Both are fine and we enjoy working with them.

Leaders Dinner—

Sixty nine 4-H club local leaders, presidents and guests attended the annual 4-H club Local Leader recognition dinner in Elba Friday night. Andy Wilson, 4-H Council President and Andy did an excellent job. Ann Barr, Girls State 4-H Club Leader, gave a very inspiring talk on Local Leaders and 4-H club work.

As I sat there Friday night I was reminded again and again of the greatness of our leaders, these teachers and principals and others, who give their time cheerfully and generously in working with some 1000 4-H boys and girls in Coffee County.

I heard Judge English telling someone that it made him feel good to be with the young boys and girls and the teachers on these annual occasions. Two of our leaders, H. J. Locklar at Godman and Mr. Ned Gang of Damascus couldn't attend because of illness and previous engagements. We missed them.
